P.T.A. MEETING 7:30 p.m., MONDAY, May 20, 1974, Room 143

During the General PTA meeting on Monday, May 20th, there will be an election of officers for the coming school year. The slate of officers to be presented by the Nominating Committee is listed below. Nominations will also be accepted from the floor with the stipulation that the person nominated has agreed to have his name added to the slate. Since this is our last General meeting of the year, installation of officers will take place immediately after election results are determined.

Due to the State portion of our PTA dues being increased from thirty cents to fifty cents per member, it will become necessary to raise our dues for the coming year. A recommendation will be made to increase the annual dues from \$1.00 per person to \$1.50 and to make appropriate changes in our By-laws in Article V (Membership and Dues) Section 4.

Some headway has been made in securing funds to help replace the well-used band uniforms. A report on this effort will be given at the meeting by Mrs. Klein.

After the business portion of our meeting is completed, there will be a program featuring entertainment by some of Wakefield's performing groups.

MEMO FROM MR. BLUE

The Administrative staff and faculty are in the process of making recommendations to the Superintendent relative to reorganizing Wakefield High School beginning in the school year of 1974-75. The program will be presented with a recommendation that the school be broken into three phases which can be implemented over a two to three year period of time. Further details regarding the reorganization will be sent to parents through a special news letter prior to the end of school or early in July.

PEOPLE

Congratulations to Mrs. Baylor, our new assistant principal. We wish her much success in her new position.

Robert Morris, a sophomore, represented Arlington Public Schools recently at the International Science Fair at Notre Dame in South Bend, Indiana with a display entitled "Four Dimensional Space-Time as an Analytic Geometry".

Roy Nakatsuka, senior, has won a National Merit Scholarship. He has a 4.09 average on a 4.0 scale -- because an "A" in advanced placement math raises his average above the normal maximum.

## INFORMATION ON COLLEGES

JUNIORS and SOPHOMORES - Are you planning college? Then visit campuses of your choice this summer. "Seeing is Believing".

There is one more opportunity for students to take the SCHOLASTIC APTITUDE TEST of the College Board Examination. The test will be Saturday, June 22 at Wakefield. Registration forms are available in the Guidance Office. These late registrations will require a penalty fee and must be submitted before May 30th.

Counselors will be available at Wakefield this summer to discuss college and vocational career planning with students and parents.

Parents interested in a comprehensive survey of financial aid material are encouraged to make an appointment with a counselor. Parents may contact the Guidance Office to request a group meeting to view a tape presentation.

Seniors planning to attend private colleges in Virginia may apply for the financial aid through the Virginia Tuition Loan Assistance program. Amounts up to \$400. are available. Applications may be obtained from the college or from the State Council of Higher Education for Virginia, 911 E. Broad St., Richmond, Va. The deadline for applying for the aid is June 15. Check with counselor or Guidance department for additional information. Parent's Confidential Statement is not required for this program.
